

Director of Training

24 July 1952

Chief, Intelligence Training Division

Weekly Report

Submitted herewith is the weekly report for 21 July-24 July:

1. During the second week of the current course in the CIA Intelligence School the following outside speakers have appeared:

Dr. S. Everett Gleason
Deputy Executive Secretary, NSC

Cmdr. E. Higgins
Joint Staff, JCS

General Ackerman and Colonel Mahan
Directorate of Intelligence, Headquarters, USAF

2. On July 22nd the group of trainees paid a visit to G-2, Department of the Army, and were given an excellent presentation by a group of officers and civilian specialists. The visit ended with refreshments of coffee and cookies, and during the social period the trainees were able to talk with a number of the G-2 people.

3. The Reading Lab currently has 53 students each day. Six State Department personnel started training July 21st.

4. The distribution of students in UFG/A is as follows:
